

Plex - Requesting Media

All requests are done via an application called "Overseerr", which you can find specifically by visiting this URL: overseerr.decicus.com.

You'll have to log in using your Plex account.

Once media has been requested, I'll receive a notification and process it whenever possible.

Revision #4

Created 19 February 2021 07:41:40 by Alex Thomassen

Updated 19 February 2021 07:55:24 by Alex Thomassen
